

SEVEN STEPS TO PHENOMENAL MANAGEMENT SKILLS

This is management training that goes beyond technical skills. Paul teaches participants how to use the power of communication to:

Engage, Motivate and Inspire.

Participants learn effective tools to improve their management style, increase their own productivity and their staff's as well.

These approaches are ***Revolutionary!*** "Seven Steps" is a must for any manager or CEO wanting to create and sustain a thriving company.

These skills have been shown to outperform management styles used by S&P 500 companies and "Good to Great" companies as well.

Topics Include:

- Aligning the actions of your company with it's mission.
- Knowing you and your staff.
- Highly effective performance management through positive communication.
- Difficult conversations made easy and worthwhile.
- Building mutual respect in the workplace.
- Creating an enjoyable, safe, thriving and productive work environment.
- Keeping your staff focused on the goal.
- Team building through truth, focus and respect.
- The power of TRUST in leadership and how to restore it.
- Creating and harnessing the power of working together towards an agreed upon vision.
